Curbside Pick-Up Sign - on order

White Board Outside - STOP Sign - on order

- Pharmacist should not use counseling window!
- Counsel from blue lines or phone consult for privacy
- Staff maintains a distance of 3 feet from asymptomatic patients and at least 6 feet from those actively coughing.
- Monitor all staff for symptoms regularly. Take temperatures in the morning. Home if symptoms of a respiratory infection &/or temp >100.
- See Mullins Pharmacy Action Plan for Comprehensive Training

Curbside Service Notes:

- Refill requests will be handled as if the parking lot patient were waiting inside the pharmacy - Red Basket
- Curbside coming back - Yellow Basket
- If the patient drops off in-store, give them the Patient Letter and Curbside Instructions before they return to their car
- For all others, the Patient Letter & bag stuffers will go out with their medications
- Curbside Packet = Patient Letter, CDC Handout, Curbside Service Instructions

- **Wearing gloves (& mask if warranted) take:**
Rx, Delivery slip, Covered clip board and pen to the patient
- Get patient signature
- Thank you & don't hesitate to call us if you need anything
- Complete register transaction for delivery
- Infection control procedures
- File the forms in curbside delivery basket
